Design + Functionality = FAX-LAB 100

Paper tray: 40 cut sheets

Memory: 19 pages

Phonebook: 60 numbers

Plain-paper ink-jet fax

A perfect combination of design and performance. Versatile and efficient, the Olivetti Fax-Lab 100 uses advanced ink-jet printing technology to guarantee security and confidentiality, since no trace remains of incoming and copied documents. It features a 19-page fax memory and a 40-sheet paper tray. It also offers a full range of advanced telephone functions, including SMS text transmission/reception and caller ID display. The Olivetti Fax-Lab 100 takes care of everything, to keep things moving faster.
