CHOOSE YOUR OWN ROUTE

The Olivetti Job-Jet M400 is your personal multi-functional machine.

Designed to meet the manifold demands of the independent professional, the small office and the company.

Plus, you can choose the feature most suited to your needs.

In fact, its modularity enables ad hoc use, by choosing the feature that most interests you. With the (assurance) that all the features are professional quality, guaranteed by Olivetti.

A single machine, to reach the desired destination, with all the power and versatility of a multi-functional machine using ink-jet technology.

PRINT AT HIGH ALTITUDES

Thanks to its technology, the Olivetti Job-Jet M400 grants you the highest quality performance of up to 19 pages per minute for laser sharp black printed text, or 15 pages per minute for photographic quality color printing.

Speed, yes, but without lacking in superb quality, thanks to the resolution of 1200x1200 dpi in black text, and up to 4800 dpi enhanced in color, with the possibility of four-and six-color printing.

Speed which is also cost-effective because using the optional two-sided printing feature you can automatically print on the front and back of the page, sensibly reducing paper usage; while the 100-sheet automatic document feeder provides excellent autonomy.

FAX, TRAVEL WITHOUT BARRIERS

The Olivetti Job-Jet M400 is a brand new full color fax, fast, reliable and with plenty of me-

mory: it has a 33.6 kbps modem and takes just 6 seconds to send a page of text.

The 35-sheet automatic document feeder and 100 number phone book makes sending your documents that much easier.

Plus, the Job-Jet M400 automatically recognizes fax/TAD.

Fax transmission is fast for color documents, too, while gray scale gives 8-bit quality (with 256 colors).

PROFESSIONAL SCANNER

The Olivetti Job-Jet M400 is also a scanner with truly professional features.

Scanning photographs and illustrations at the highest quality, in both color and black and white.

Its optical resolution is 1200x2400 dpi that can reach up to 9600 dpi when interpolated. In addition, the 48-bit color and 8-bit gray scale (256 colors) scanning assures top quality.

The Job-Jet M400 is TWAIN compatible and, thanks to its flat surface, makes obtaining excellent results in scanning easy.

FAST AND EASY COPYING

But the Olivetti Job-Jet M400 is also a high quality color copier, at speeds of 19 pages per minute in black and white and 14 pages per minute in color, with digital zoom feature for reductions/enlargements of 25% to 200% and up to 99 copies from a single original.

Plus, the Job-Jet M400 has an automatic copying feature, because it is provided with a 35-sheet automatic document feeder.

Finally, the digital image processing versatility provides maximum creativity even in the copying function.
