The double-time beat of duplex.

OLIVETTI d-COPIA 120D e 150D
MULTIFUNCTIONAL DIGITAL COPIERS

olivetti

THERE'S A NEW BEAT FOR PEOPLE WHO WANT TO WORK WITHOUT RESTRICTIONS: THE DOUBLE-TIME BEAT OF THE OLIVETTI d-COPIA 120D AND d-COPIA 150D, THE DIGITAL COPIERS FOR SMALL OFFICES AND PROFESSIONALS. THESE MODELS ARE SPACE-SAVING MULTIFUNCTIONAL MACHINES, FOR OUTSTANDING PERFORMANCE WITH A COMPACT FOOTPRINT. THE d-COPIA 120D AND 150D COME WITH A STANDARD DUPLEX MODULE FOR EASY COPYING AND PRINTING ON BOTH SIDES OF THE PAPER. THEY ALSO SUPPORT COLOUR SCANNING, PRODUCING DOCUMENTS THAT CAN BE PROCESSED USING OLIVETTI'S EXCLUSIVE DOCUMENT MANAGEMENT SOFTWARE. ROBUST AND EXTREMELY RELIABLE, THE d-COPIA 120D AND 150D ARE DESIGNED TO DELIVER PROFESSIONAL PERFORMANCE TO THE SMALL OFFICE. AND WITH NO WARM-UP TIME NEEDED, THEY ARE ALWAYS READY TO PERFORM WHENEVER YOU NEED TO STEP UP THE TEMPO.

A CRESCENDO OF PROFESSIONALISM

The Olivetti d-Copia 120D and d-Copia 150D are the perfect multifunctional laser copiers for small offices and professionals, who want superior performance with ease of use.

The d-Copia 120D and 150D feature a standard duplex module for rapid, intuitive production of two-sided b/w copies or printouts from the PC.

The d-Copia 120D and 150D also provide a colour scanning capability, activated either by the "fast key", on the operator console, or from the PC, to access images and documents, which can be stored in a digital archive. For storage applications, the machines are supplied with Olivetti's Desktop Document Manager, an exclusive software programme to help users organise their archive into folders, recognise texts with OCR software, share and use the files you create for quick professional printouts. The result is a real digital archive, where nothing gets lost and the piles of paper on your desk are a thing of the past.
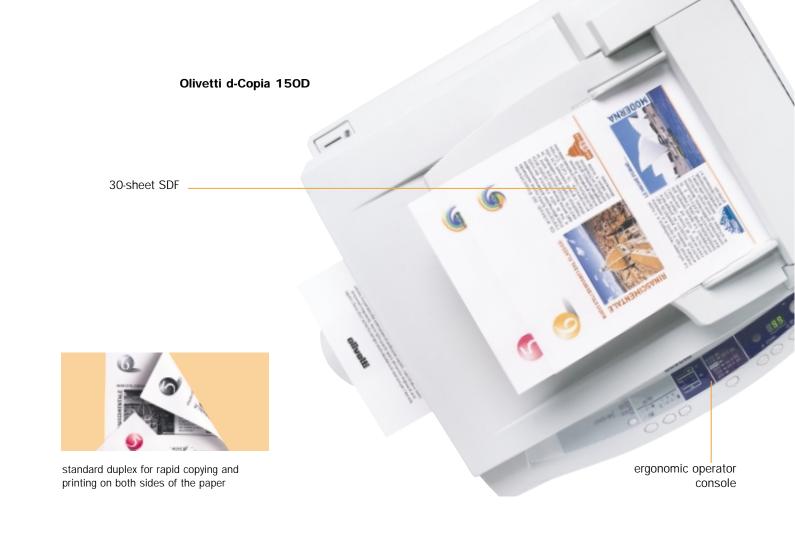

A RHYTHM THAT'S EASY TO FOLLOW

The Olivetti d-Copia 120D and d-Copia 150D multifunctional devices are designed to make your life easier, with a 16 MB memory to optimise performance.

Everything is kept simple on these machines, beginning with their "plug&play" configuration, which means they can be set up directly by the user in minutes. Replacement of the toner and drum cartridges is a quick, clean procedure. Copying with the d-Copia 120D and 150D, and day-to-day office management, couldn't be easier: the operator console is clearly laid out for intuitive use of the machine functions, and the bypass means users can print on a variety of paper media, including envelopes and labels. Finally, and equally important, the machines do not need to warm-up, so they are always ready for immediate use, without wasting time.

THE DIGITAL HEART THAT SETS A HARMONIOUS BEAT

The Olivetti d-Copia 120D and d-Copia 150D are equipped with a powerful and reliable laser engine for superior document management: the copy and print definition is 600 dpi, rising to 600x1200 dpi (interpolated to 9600 dpi) for colour scanning jobs. The d-Copia 120D and 150D differ on speed (12 and 15 copies per minute respectively), while the d-Copia 120D comes with a cover for originals and the d-Copia 150D has a 30-sheet automatic document feeder. The "scan-once-copy-many" function means any number of copies can be produced from a single scan, reducing wear and tear, and the toner and energy-saving mode keep running costs down to ensure maximum environmental friendliness.

Trays: 56-80 g/m²
Bypass: 52/128 g/m²

Paper Trays
Single tray: 250 sheets

Bypass
Single sheet

**Automatic Document Feeder
(d-Copia 150D only)**
30 sheets, single pass

Duplex
Standard

Copy Memory
16 MB

Zoom Range
25-400% (1% step)

Resolution
600 x 600 dpi

Greyscale
256 levels

Warm-up Time
0 sec.

First Copy Time
9.6 sec.

Continuous Copy
1-99

Scan Once Print Many
Yes

Dimensions (WxDxH)
d-Copia 120D: 518 x 463 x 296 mm
d-Copia 150D: 518 x 493 x 380 mm

Weight*
d-Copia 120D: 15,3 kg
d-Copia 150D: 16,9 kg

Power
220-240 V, 50-60 Hz

Absorption
< 1000 W
* Without toner cartridge, drum cartridge and power cord.

PRINTER FUNCTION

Printing Speed
Up to 12 ppm

Print Memory
16 MB

Resolution
600 x 600 dpi

Emulation
GDI

Compatibility
Win 95/Me/NT4.0/2000/XP

Interfaces
IEEE 1284/USB 1.1

FULL COLOUR SCANNER

Resolution
600 x 1200 dpi (9600 dpi interpolated)

Protocol
TWAIN/WIA (Only XP)/STI

Interface
USB 1.1

Supported OS
Win 98/Me/2000/XP

Scanner Utilities
Button Manager
Desktop Document Manager

SUPPLIES

First Equipment Toner Cartridge
Up to 2,000 copies with 5% coverage

Toner Cartridge - Standard Capacity
Up to 3,500 copies with 5% coverage
(code B0439)

Toner Cartridge - High Capacity
Box of 5 cartridges (code B0477) -
Up to 5,000 copies with 5% coverage each
